Technical Skills

- Java/Java Web(12 months)
- Microsoft SQL (6 months)
- .Net core (1 month)
- Unity Game Developer(1 month)

Soft Skills

- Teamwork
- Self-study
- Problem-Solving
- Adaptability

About

I am a software engineering major student at FPT University. I have experiences in back-end developing. I am now studying to become a game developer since I'm interested in game industry. I am always ready to learn new things with high enthusiasm and a committed mindset.

Education

FPT University 2020–Present

Major: Software Engineering
